Overhead lights in the Bannimantap Road Mysore city

File No / of 193 | General and Revenue Secretariat

From The President, City Mcl, Mysore
No 4 T 1900 dt 5 3 36

Forwards a copy of the resolution of the Mcl dt 11 2 36 that the number of lights might be reduced from 16 to 10 & that the ten lights might be redistributed – 3 for the loop road from the old Bannimantap to Doddakeri and the rest from old Bannimantap to old Doddakeri Circle

The above communication was received yesterday before the issue of the Draft approved on the last page

The Municipal Council had previously resolved to accept liability in respect of 6 out of the 16 lights. The resolution now read is to reduce the no of lights to 10 and redistribute them number as proposed It is not clear whether, by this resolution, the Mcl are agreeable to bear the cost of ten lights instead of six If that be the case & if the number of lights cannot be reduced, Govt need have to bear the cost of only six lights instead often as mentioned in the order under issue

A

It is for orders whether, before issuing the said order an enquiry may be made re A above

Chief Secy dtd 17/3

What is the present distribution or location of lights? Do the present 16 include 3 on the loop road?

Sir

Further to my letter No E T 769 dated 2nd June 1934 -- I have the honour to state that consequent on the extension of the Municipal Boundary beyond Boppanahally Tank, on Bangalore side the Executive Engineer Mysore Division advised the Superintendent Mysore Power & Lighting that royalty on (1) 16- Over-head lights in Banny Mantap Parade Ground Road, in the road parallel to Mysore - Seringapatam Road and (2) 7- lights in the road from Ookad to Sri Krishnaraje Mills should be borne by the Municipality from 1st July 1934 The Superintendent thereupon wrote to the President in his letter No 45199 dated 25th October 1934 to confirm that the Municipality is agreeable to bear the Royalty on the above lights After verifying the number of lights the question of accepting the liability on these lights was placed before the Managing Committee in their meeting dated 21st & 22nd January 1935 The Members desired to inspect the place and after so doing, they resolved in their meeting dated 14th and 17th February 1935 that the liability on the seven lights in the road from Ookad to Krishna rajendra Mills might be accepted and that as regards the sixtee lights on the Bannimantap Motor Road, they do not feel the having more lights than they are necessity of paying for in the area This Resolution having been communicated to the Superintendent, he has intimated in

his letter No 49 416 dated 27th February 1935 that the sixteen lights have been disconnected and kept out of service from the 25th instant The Bannimantap Motor Road is an important one where many distinguished guests and respectable citizens pass and it has been a sad contrast that the sixteen lights which were bu burning on the road so long as it was under the control of the Public Works Department, should now be disconnected to the utter inconvenience of the Motorists and other pedestrians It was purely the present poor finances of the Municipality that prompted the Managing Committee to disown the liability on these sixteen lights

For similar reasons, the liability to pay royalty on the four lights which were hitherto burning in the adjoining road of Government House compound and Stables running behind Servants' Quarters from Mysore Taluk Office to Nazarbad, has been rejected, both by the Managing Committee and the Municipal Council This road is also an important one requiring the continuance of the lights

Representations are being received frequently for the restoration of the lights in the above localities and though the Municipality have discontinued these lights purely on financial grounds personally I am of opinion that the lights are essential in the interests of public service

Owing to the extension of the Municipal boundary in several directions of the City an additional length of 4-7/8 miles of Provincial Road has been included within the Municipal area and the P W Department has been relieved of maintenance charges to this extent In view of the increased liability involved on the Municipality for maintaining this extra length of road a reference was made to the Chief Secretary to Government in this Office letter No E T 769 dated 2nd June 1934 to increase

the present road contribution of Rs 5000/- to Rs 8 000/-. No orders are received on this communication till now If this extra contribution of Rs 3 000/- at least is sanctioned I think the Municipal Council may be induced to continue the sixteen lights on the Banni Mantap Motor Road and the four lights on the road adjoining the Government House

I request you to place these facts before Government and communicate their orders so that further action may be taken to restore the lights in question

I have the honour to be

Sir

Your most obedient Servant

The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore

Sir,

With reference to your letter No L 6737/Ml 165-34 dated 29th March 1935 re the restoration of service to 16 lights in Bannymantap Parade ground pending orders of Government on the question of enhancing the road contribution, I have the honour to state that the Superintendent, Power and Lighting Mysore was requested to restore the lights in question and in reply he intimated that the lights were put into service from 2nd April 1935 At the meeting of the Managing Committee held on 30th April 1935 the letter from Government was considered and it was resolved that only six lights out of sixteen may be restored in view of the Municipality's inebility to bear the burden for all the sixteen lights

In view of the Managing Committees Resolution I request early orders of Government whether the Superintendent, Power and Lighting, Mysore may be asked to disconnect service to ten lights in respect of which the Managing Committee have felt themselves unable to accept the liability

Adverting to your letter No L 8062/M1 165-34 dated 23rd May 1935 regarding the restoration of service to the ten remaining lights out of sixteen lights in Banny Mantap Parade Ground and directing that the Managing Committee's Resolution may be placed before the Council and that they may be persuaded to agree to the retention of the lights, I have the honour to state that the matter was placed before the Council, at the meeting held on 17-10-1935 when it was resolved that the Municipal Council would be willing to undertake the liability for all the sixteen lights if the Government will be pleased to reconsider their decision conveyed in their letter No L 7504-6/M1 282-33-2 dated 26/27-4-1935 in the matter of their contribution for the additional length of 4 7/8 miles of road and kindly to agree to the enhancement of the contribution from Rs 2,000/- to Rs 3,000/- as requested by the Council (Copy of the Resolution enclosed)

2 In this connection I would invite your kind reference to my letter No G T 924 dated 24-10-1935, requesting sanction to this enhanced grant in view of the importance of maintaining these roads in a first class condition and the slender resources of the Municipality and request you kindly to obtain sanction of Government to the enhanced grant prayed for, to settle this long-standing question of lights also

I have the honour to be,
Sir,
Your most obedient servant,

M A Sreenivasan
President

Dear Sir,

Subject - Overhead Lights in the Banny Mantap Road, Mysore

With reference to your D O letter No L 4029 dated 29/30th November 1935 enquiring about the royalty payable by the Municipality in respect of the above lights, I wish to state that as per G O No EDS.172 dated 6-8-32, all road-lights installed beyond Municipal limits have to be paid for at Rs11-4-0 per light per annum As it is stated that the Municipal limits have since been extended and the lights now come within the limits, they have to be paid for, by the Municipality, at the usual rate of Rs22-8-0 per light per annum under Govt Order No EDS 911 dated 12-10-35

Yours sincerely,

To
